

Department of Food Science & Technology, UC Davis

Lecturer – FST104L Food Microbiology Laboratory

The Department of Food Science and Technology at the University of California, Davis invites applications for a lecturer positions to teach FST104L – Food Microbiology Laboratory during the Spring 2018 Quarter. See <http://foodscience.ucdavis.edu/> for course descriptions.

Qualified candidates will have a PhD degree in food science or a related field, experience in the food industry or academia, and experience with food development. Prior teaching experience, especially in the Food Product Development area, is highly desirable.

SALARY AND APPOINTMENT LEVEL: commensurate with the course teaching load and experience.

Applications should be submitted on-line at <http://recruit.ucdavis.edu/> no later than February 21, 2018.

UC Davis is an affirmative action/equal employment opportunity employer and is dedicated to recruiting a diverse faculty community. We welcome all qualified applicants to apply, including women, minorities, veterans, and individuals with disabilities.

UC Davis recognizes the necessity of supporting faculty with efforts to integrate work, family and other work-life considerations. To recruit and retain the best faculty, the campus sponsors a Work Life Program that provides programs and services that support faculty as they strive to honor their commitments to work, home and community.
