

Department Seminar Series

UC DAVIS
**FOOD SCIENCE AND
TECHNOLOGY**

12pm, Monday April 17, 2023 in room 1207 RMI South

Harnessing the power of fasting in a pill

Angela M. Zivkovic, Ph.D. **Associate Professor, Department of Nutrition, UC Davis**

BIO: Dr. Zivkovic holds a B.S. in Conservation & Resource Studies from the University of California Berkeley and a Ph.D. in Nutritional Biology, from the University of California, Davis. Dr. Zivkovic's research is focused on precision nutrition approaches to prevent disease, optimize health, and extend healthspan. She will present her journey – from idea generation to successfully launching a start-up.
