

GREENWORKPLACE Workshops

Interested in helping your office or lab become more environmentally sustainable?

yes!

Then join Green Workplace, a program dedicated to supporting sustainable actions in labs and offices on campus.

The Green Workplace is coming to your neighborhood:

Orientation & Training Schedule

All workshops will be held from:

Orientation		
Green Team Training & Walkthrough*		
Kickoff for all staff!		
Energy & Trash Talk		
Health & Ergonomics		
Green Commute		
Celebrate		

Learn how your office, department or lab can save energy, plastic, water, and other resources, while boosting performance and community spirit.

Come to one or all workshops and see why over 50 labs and offices are already participating!

Enroll at a workshop or email greenworkplace@ucdavis.edu.

“ I’m so glad you had all this set up so I didn’t have to create it from scratch. ”

Stacey Parker, Arboretum

*Green Teams only need attend. Others welcome.
